- **Distributing of Fall/Winter Athlete Letters**

Will need to have a system for issuing letters, pins, and bars.
A parent stated that a middle schooler who has lettered should only receive a pin or bar until they are officially a SBHS student and then receive their letter that year.
- **Swim Team**
 1. A swim parent reached out to Amanda Weathersbee saying that their swim coach had resigned. Parent has reached out to Coach Strother but hasn't received a reply yet. Kolmar has not received an official resignation from current swim coach, so she must have that before she can post on ACPSD site or she must wait until the end of the school year
 2. Parent is wanting to know when job will be posted on ACPSD site and if parents can host an interest meeting for team at middle and high school. Parent is wanting to know about job posting in hopes that they will be able to begin conditioning this summer. Kolmar said that an interest meeting would be doable just need someone to lead meeting. A swim parent said she would be fine doing it and have some of the swim team there.
 3. Swim parent also mentioned speaking with Terrance and charging each player a small fee for swim outfit and swim cap. Dan told parent to come to booster club before buying because we would be willing to outfit each swimmer.

Extra Discussion

1. Back Stop area on Baseball and Softball Fields. District decided that netting was not good. They are currently getting new measurements to replace. They are getting baseball fixed first before starting on softball.
2. Fence area at Booster Club entrance area at football field. Fence is down. A work order has been sent in for repairs.
3. Communication line to irrigation cut by district work. Dan spoke with Jody Clark about problem. Ms. Kolmar said she will put a work order in for repairs.
4. Area at baseball field around home side bleachers are a tripping hazard due to un-level ground. Work order has been sent in for this.
5. Mrs. Mack wanted to extend thanks to booster club for purchasing 2 of the small turtle boxes for prom bash.
6. Wilson has been contracted to sprig baseball/softball fields to get grass done properly. Dan mentioned following back up with them to make sure it will be started soon after seasons are completed.
7. Hampton game was canceled due to having no funds. Kolmar is in the negative for all sports right now with travel etc. MV has been added back to schedule for another game.
8. Track still hasn't received banners. Tina has reached out several times. Kolmar said Material Center has access to printing banners and we should look in to using them.

Next Meeting – May 4, 2026 @ 6 p.m.
