Financial Report:

Balance in Accounts

- Venmo: \$4,460.79
- General Fund Checking: \$47,924.10
- **If we move forward with giving all funding in sports accounts back to Silver Bluff High School that will total \$21,851.60 and leave our general fund balance totaling \$26,072.50.**

Old Business:

- Huddle questions
- Update on Assistant AD
- Football workday
- Varsity coaches mandatory meeting
- Maintenance responsibilities for baseball/softball fields

New Business:

- **2026-2027 Booster Club Memberships**
 1. Update on Memberships/Sponsorships- we have 21 families and 25 sponsors totaling \$43,800.00
 2. Each Member will be receiving a hat with booster member on the side and a car decal. Each sponsor will be receiving a logo golf umbrella and car decal
- **Hall of Fame**
 1. Dr. Kolmar tried reaching out to chairperson John Chavous and received no response.
 2. Ben Barfield spoke to John Chavous, and he said that the committee was behind with preparation this year and would like to do hall of fame induction during basketball season. Ben asks Dr. Kolmar to reach back out and send an email that included all committee members.
- **Football game tents**
 1. Football tents have been lowered so hopefully this will help with the fans view of the field.
- **Night of Champions and Senior Night**
 1. Player being honored will get in for free.
 2. Presentation will go on during half time. We have a 20 min max as long as the other team is ok with it.
 3. Each Player will receive a t-shirt. Terrance will either take pre-orders or have prints and his heat press on site for fans to the shirt that evening.
 4. Booster Club will be providing a "tailgate" for them. We will serve BBQ and the fixings. Seniors will be honored before the game. Booster club will buy roses for them. Ben will get with Dr. Kolmar and Coach Strother for numbers.
- **Responsibility roles moving forward**
 1. Trash Service- Booster Club will turn this service over to the school/district moving forward. They will let us know what that may need aid in paying.
 2. Land/Lawn Service- Booster Club will turn this service over to school/district moving forward. They will let us know what that may need aid in paying. A community sponsor and parent spoke on the grass cutting- the district said that they were not responsible for anything outside of the fences. He stated that coaches should not have to cut their own fields and surrounding areas of grass.

3. Video Systems- Coaches and School is still trying to decide on what to do moving forward. Booster Club will turn this service over to school/district moving forward. They will let us know what they may need aid in paying
 4. Ambulance Service- Booster Club will pay the bills that we have received up to this date.
 5. Security (Powell)- Booster Club will turn turn this service over to school/district moving forward. We will only handle security at our booster club gate. They will let us know what they may need aid in paying.
 6. Maintenance Concerns Baseball/Softball Complex- Coaches will handle watering and mowing their fields per Kolmar/Strother. The district will bid out for the chemical applications that will need to be placed on these new fields. The mower that is owned by the district will be on a rotating schedule throughout high schools across the district.
- **Booster Club General Fund Golf Cart Raffle**
 1. The Booster Club will be asking members of the club and community members to help sell these raffle tickets.
 2. As of right now per the district zoom meeting with Dr. Murphy athletes may not handle monies for booster club fundraising. If a student is raising monies, it must go school's account.
 3. Tickets will be \$10/ticket or 6/\$50.00. They will be on sale through the Gala. We will draw the winner the night of the gala.
 - **Homecoming Tailgate for 2026**
 1. Dr. Kolmar spoke with a group of alumni on having this event and they placed more rules in place for it to be successful.
 2. As of tonight, no one has called to reserve a spot.

Extra Discussion

1. Dr. Kolmar said that the booster club could still raise funds for their club and help sports teams out.
2. When coaches are making purchases, they must get 3 quotes if using somewhere other than BSN.
3. If sports accounts are being transferred from booster club to school the bookkeeper must make sub accounts with district monies in each account. These monies will not be used for things that make games happen that is the school's responsibility.
4. Dr. Kolmar said that players can help in concession as long as they are not taking money and it can still be deposited into booster general fund account.
5. Dr. Kolmar also said that cheerleaders can also still run their volleyball concessions as long as money is not being touched by them. We will clarify this more before we let this continue to happen.
6. Jason Jackson said that Cammie (trainer) would like to thank the booster club for providing ambulance services for our athletes during games.

Next Meeting – October 5, 2026 @ 6 p.m.
